Henderson Game Highlights Season

The Center Roughriders, CHS's arch rivals, slipped past the Bulldogs 21-19 Nov. 8, in Center for the last game of the season. This upset left the Dogs with a 2-3 district standing while their season tally was 3-7.

The highlight of the season came in a taming victory over the heavily-favored Henderson Lions with a stunning 21-7 score.

Another district win was acquired as they breezed past Hallsville 18-6 in Q. M. Martin Stadium Nov. 1.

These two district wins were important moments for the five CHS players who made the all-district team. They are Charlie Allison, Frankie Smith, John Tiller, Linus Pellum and Calvin Whiddon.

CHS averaged 19.2 points per game in district activity while their opponents were also able to pick up an average of 19.2 points for each game.

Dogs Tie for Second

Having an exciting and successful season, the mighty Bulldogs finished in a tie for second place with Pine Tree. Both teams had a district record of 8-3.

In district play, the Dogs held a perfect record until they played Kilgore the second time, making their district tally 6-1. This upsetting loss enabled Pine Tree to move up to first place along with Carthage.

Fighting all through the next scheduled bout with Pine Tree, the Dogs suffered another heavy loss putting Pine Tree in first and leaving Carthage and Kilgore tied for second.

Kilgore then put down Pine Tree making all three powerful teams tied for first place. Carthage, Kilgore and Pine Tree remained tied throughout the rest of the season requiring play-offs.

By the flip of a coin, Carthage received a by leaving them to play the winner of the Kilgore-Pine Tree game. It seemed that nothing could stop Kilgore as they beat Pine Tree 53-46 and then came on strong to beat the Bulldogs 52-44.

Coached by Dennis Smith, the Dogs finished the season with a 23-9 tally.

Racketeers Have Active Season

Participating in ten dual matches and two tournaments, the 1975 CHS Tennis Team had a rather active season.

Randall Thames could be considered the biggest asset in the boys' singles while Kristie Hook was tops in the girls' singles. Also, Terry Fontenot and Brenda Stevenson were outstanding in the girls' doubles.

There were only three boys on the team this year, and there were no seniors participating in the sport.

However, Coach Mary Robinson expects about eight boys to join the team next year. These students plus the returning players should strengthen the team, making '76 a promising year for tennis at CHS.

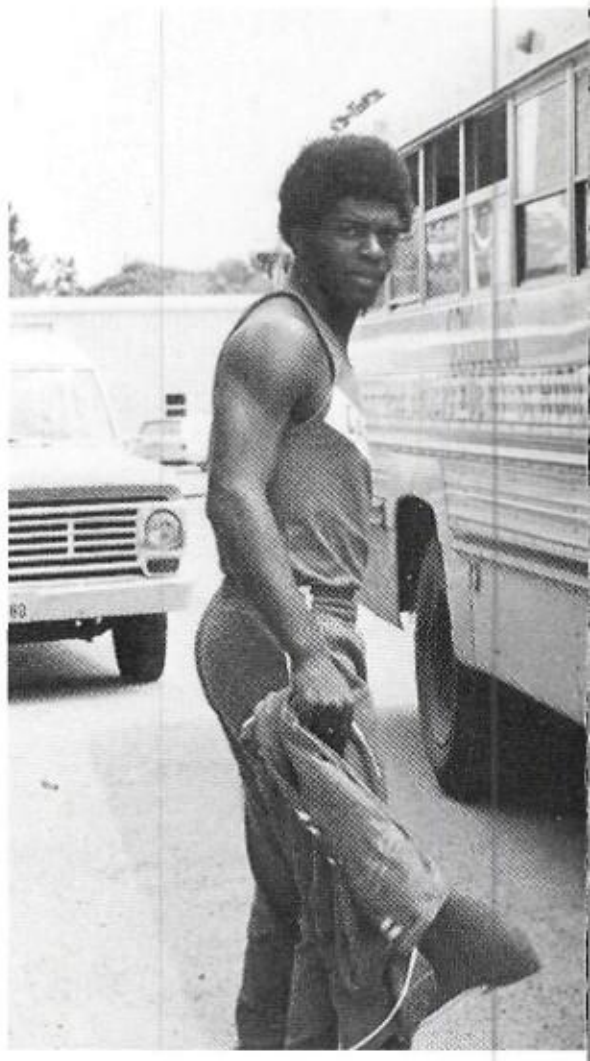
Thinclads Place Third in District Meet



Other contenders in the District 9-AAA Track Meet were surprised as the CHS Track Team placed third above Chapel Hill, Henderson, and Jacksonville who were expected to battle it out for the third spot.

In the district meet, the Dogs finished with 70.5 points, trailing second place Pine Tree with 86 points and last year's champ Kilgore with 99 points.

In pre-district meets, the CHS thinclads placed in two of eight meets. The tracksters captured the eighth position in Nacogdoches competition while they managed to grab the fifth spot at Hallsville's meet on April 12.

The only CHS trackster to place in the Pine Tree meet was Bill Spurgeon, who captured third in the 440-yard relay. In the March 8 Hallsville meet, Spurgeon was again the only one to place, finishing fourth in the 440-yard relay.

However, six track team members scored high enough in district competition to earn the right to represent CHS in regional competition. They were Earl Roberts, Bill Spurgeon, Jeffery Willie, Danny Davis, Sidney Allen and Eric Carter.

Several individuals brought home first place honors from the District Meet including Kim Davis who placed in the shot put and Mildred Hodges who won the 100 yard dash; Devereaux Gates was first to cross the line in the 60 yard dash; Carol Williams placed in the High Jump and the 220 yard dash; and Devereaux Gates, Jackie Wedgeworth, Linda Fields and Mildred Hodge, members of the relay team, defeated all the competition.

Peggie Pope, who placed second at both district and regional levels in the triple jump, went on to represent CHS at the state competition in Austin where she received fifth place in this event.

Freshmen Capture Third

CHS's ninth grade track team finished third in district competition, amassing a total of 99.3 team points in track and field events in Hallsville.

During their season, the freshmen thinclads placed in three of the four meets in which they participated. They placed fifth in the Kilgore, Pine Tree and Carthage meets.

Deppe Sets New State Record

Tommy Deppe was the sole member of the 1975 swim team at CHS. He represented the school well, however, participating in numerous meets and consistently returning with medals.

In March, Deppe traveled to the Texas Regional High School Championships at SMU in Dallas. During the meet he captured two fourth places - one in the 100 meter freestyle and the other in the 100 meter backstroke.

Deppe traveled to Fort Lauderdale, Fla. April 13-19 to take part in the National YMCA Swimming Championships. This turned out to be the largest swim meet ever seen anywhere in the world.

On Friday, May 2, Deppe splashed his way to a new state record during the State AAA Swimming Competition held in Burnett.

Deppe knocked nearly two seconds off the old state record with a time of 50.9. At this same meet, he also took a first place in the 100-yard individual medley with a time of 59.64.

Dogs Aim for District Title

Winning their third straight Zone Title, the CHS Baseball Team proved to have a successful season. The Bulldogs had powerful hitters, good fielders and great team spirit going for them.

Having an unblemished pre-zone record, the Dogs lost only to Kilgore and Pine Tree in Zone play giving them the top spot.

The Dogs, aiming for their second consecutive District Title, then faced Athens in playoffs.

Carthage easily won the first of three games against Athens with a score of 10-0, but the Athens Hornets came back strong to win the second game 8-7.

The two teams met in Kilgore for the last of the three-game contest. Each team played a very tight game, neither allowing any scoring for eight straight innings. Finally, in the bottom of the ninth, Athens managed to score capturing the 9-AAA District Title.

Coach Jacke Davis attributed the club's success to some real good and timely hitting and experience at key positions. He also added that he thought more of the kids on the team than anything in the world.

ICT is a Co-op program which provides vocational education in industrial mechanics. Juniors and seniors work part-time, a minimum of fifteen hours weekly, while attending school.

To raise money, the members change points and plugs on several of the teachers' cars and participate in a candy sale. Proceeds from these activities help provide tools and equipment for class lab work, the annual Employer-Employee Banquet and a barbecue at the end of the school year.

Student Council

Student Council Promotes School Spirit

School spirit was the central theme of the Student Council's activities this year. The season began with the selling of weekly football ribbons and mascot pins. The Council sponsored Spirit Week which included such activities as decorating contests, a parade and a pep rally.

Besides holding regular meetings, the officers attended the area meeting to gain new ideas on ways of improving the Student Government of CHS. For the first time, the Student Council ran for district office to try to involve CHS in area activities.

Of the several assemblies sponsored by the Student Council, the rock group, First Gear, was the biggest hit.

This past year the Student Council has greatly enriched school spirit and dedication to school government at CHS.

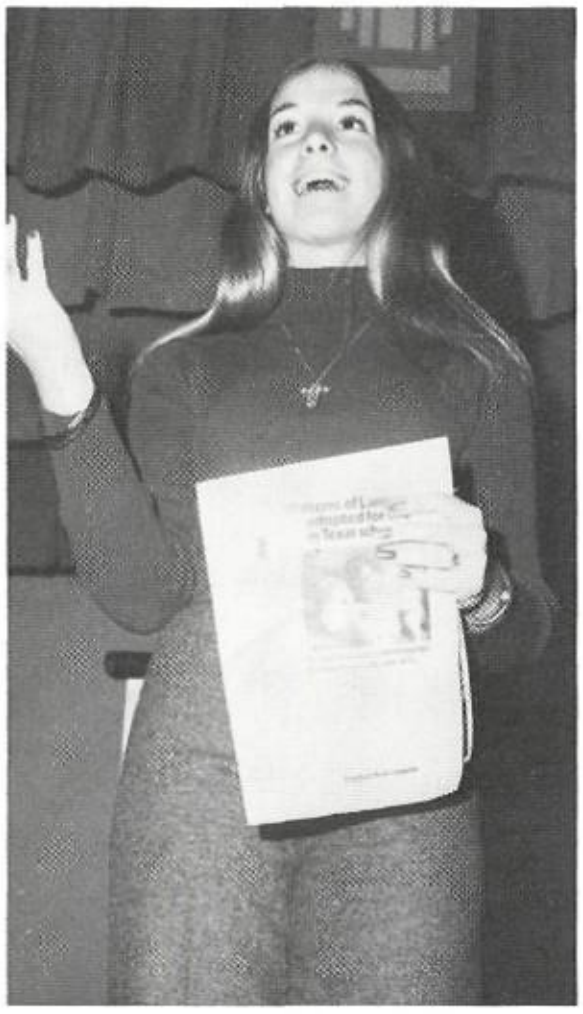
FTA Invests in the Future



"Invest in your Future" was chosen as this year's theme for the Future Teachers of America. To carry out this theme, members of the club at CHS, invest their time and efforts in such money-making projects as selling football programs and homecoming mums. By participating in these various activities, points are earned which enable the members to attend the State Convention in Forth Worth.

Another important club activity is the selection of the Teacher of the Month. From those teachers selected, a Teacher of the Year is chosen and recognized at an assembly in the spring.

The club accumulates these points by performing such tasks as cleaning up the stadium after home football games, repairing equipment for classroom use, and keeping tidy the concession machines.

In achieving this award, the members learn to work together and be of service in the school and community.

D.E. Works Overtime

The Distributive Education program provides vocational education in retailing through classroom study and on-the-job training.

Leadership is developed through fund-raising and community projects which can be done after school and work. Selling linen calendars and working a concession stand at one boy's basketball game provides funds for the annual DE Employer-Employee Banquet and the DE parties throughout the year.

Instead of advertising their club in the Christmas parade the students chose to channel the money towards adopting a foster child. The DE Club sponsors a regular rotunda display of each member's training station.

DE not only provides leadership development but also strives to promote the American free enterprise system.

The Spanish club is ''muy activo'' (very active) in their money-raising projects. Their activities include a car wash, egg sale, Christmas tree sale and junior high basketball concession stands. The Spanish club members deliver the Val-o-grams during school on Valentine's Day.

The money earned from these activities helped to finance a trip for the Spanish members to the Pan American Student Forum in San Antonio.

The choirs of CHS - A Cappella, Select Singers, and Girls Chorus - as well as the individual students have brought honors and recognition to the choir program under the direction of Mrs. June Lewis.

The A Cappella Choir has been busy this year presenting programs. The choir presented Christmas and Bicentennial programs for CHS, and they attended the Cantorium Feste. In UIL competition the choir made ratings of II and I, respectively, in concert and sightreading.

The Girls' Chorus was revived this year after being dormant for several years, and in UIL competition, the girls brought home a rating of II in both concert and sightreading.

Perhaps the most popular chorus is the Select Singers. This choral group performs for public functions, clubs and various organizations.

In the Solo and Ensemble division of UIL sixty of the students placed in district and went on to regional. Fifteen ''canaries'' represented CHS at the state level during the summer.

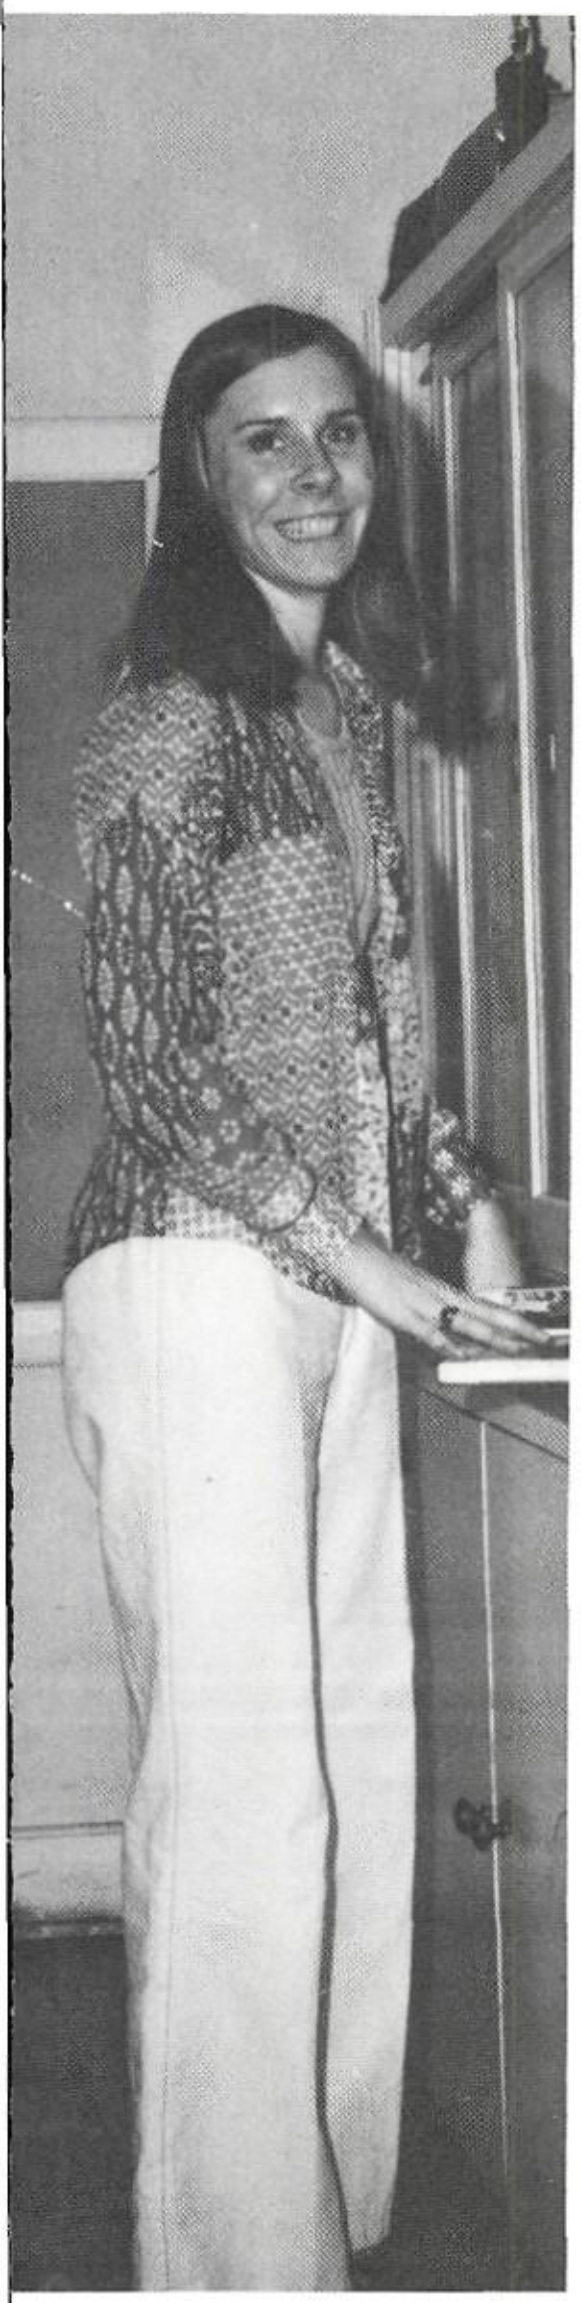
Annual Takes First for Second Year



Filling one book with the events that take place in a school year is not as easy as it may seem. For the 1975 PINE BURR staff, this fact became a terrifying reality, especially as deadline time rolled around.

Many of the decisions for the PINE BURR were made at a workshop held at Trinity University in San Antonio last summer. There the book's theme and overall design were decided upon. The staff members who attended the workshop worked many late hours to earn the award of "Best Yearbook Dummy" for the second year.

Journalists Produce Award Winning Paper

THE CARTHAGINIAN is published weekly by Journalism II staff and is sponsored by Miss Cecilia Reeves. Students may subscribe to THE CARTHAGINIAN at the beginning of the school term for $3.00.

This year THE CARTHAGINIAN was awarded the Distinguished Award of Merit at the Interscholastic League Press Conference in Austin, and in addition it was rated tops in its division over all other mimeographed papers in the state.

The paper also received an All Texas Honor Rating at the Texas High School Press Conference in Denton.

CHS hosted the district UIL Journalism contest in April. Contestants competed in editorial writing, feature writing, newswriting, and headline writing. Winners from Carthage were Lisa Scott, who placed second in editorial writing, Steve Bussell, who placed third in editorial writing, and Kathy Barrett, who ranked fourth in newswriting. Bussell advanced to regional competition in Huntsville.

At the end of the year, Journalism I publishes THE CARTHAGINIAN for five weeks while Journalism II produces the Senior Edition. Journalism II resumes the responsibility for the last time during the last week of school.

Friendship is a beautiful relationship. By the time a student reaches his senior year, he has encountered numerous friends. The number of faces he comes in contact with or the impact they made on him can never be measured. But each senior will recount and harbor in his heart the little remembrances of friendships past. For friendships never really die, they just graduate, move on, and live forever in the hearts that shared them.

Seniors Display Mixed Emotions

Anger, joy, happiness, despair: these are just a few of the emotions experienced by the seniors before they reach that final collage of feelings graduation. The joy of winning the Henderson football game, the agony of losing the basketball district title. The excitement and thrills that accompany being a senior; the twinge of sadness when they realize that they'll never pass this way again.

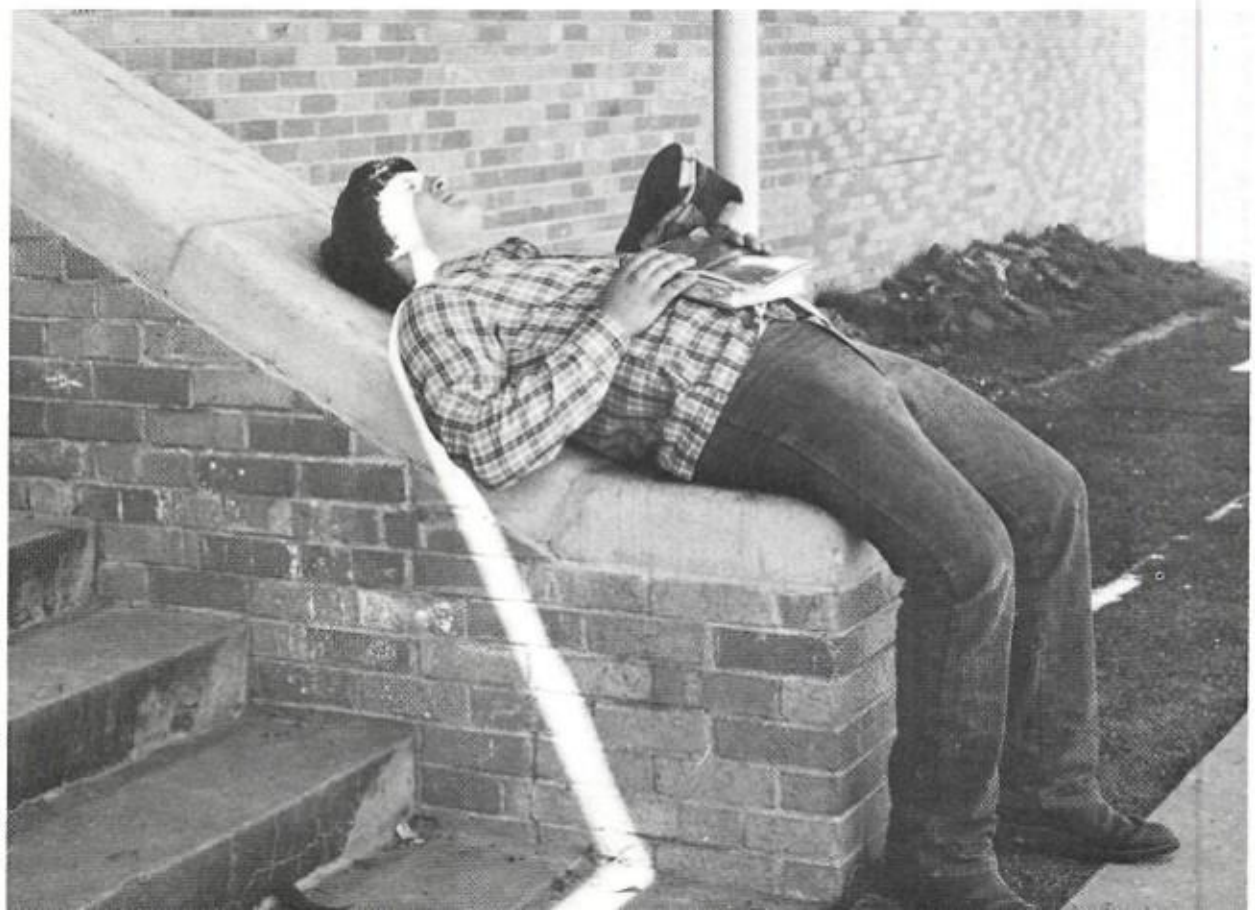
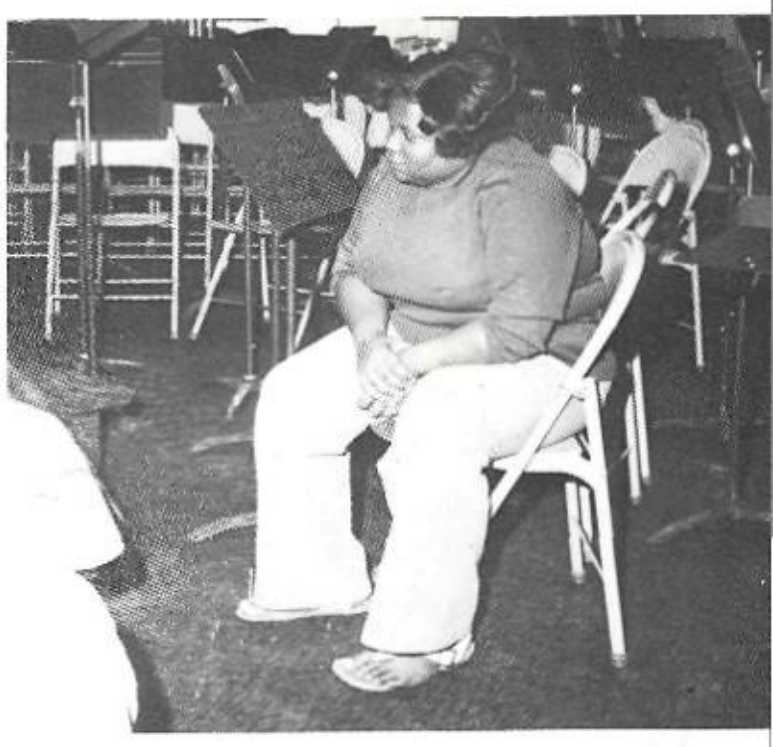
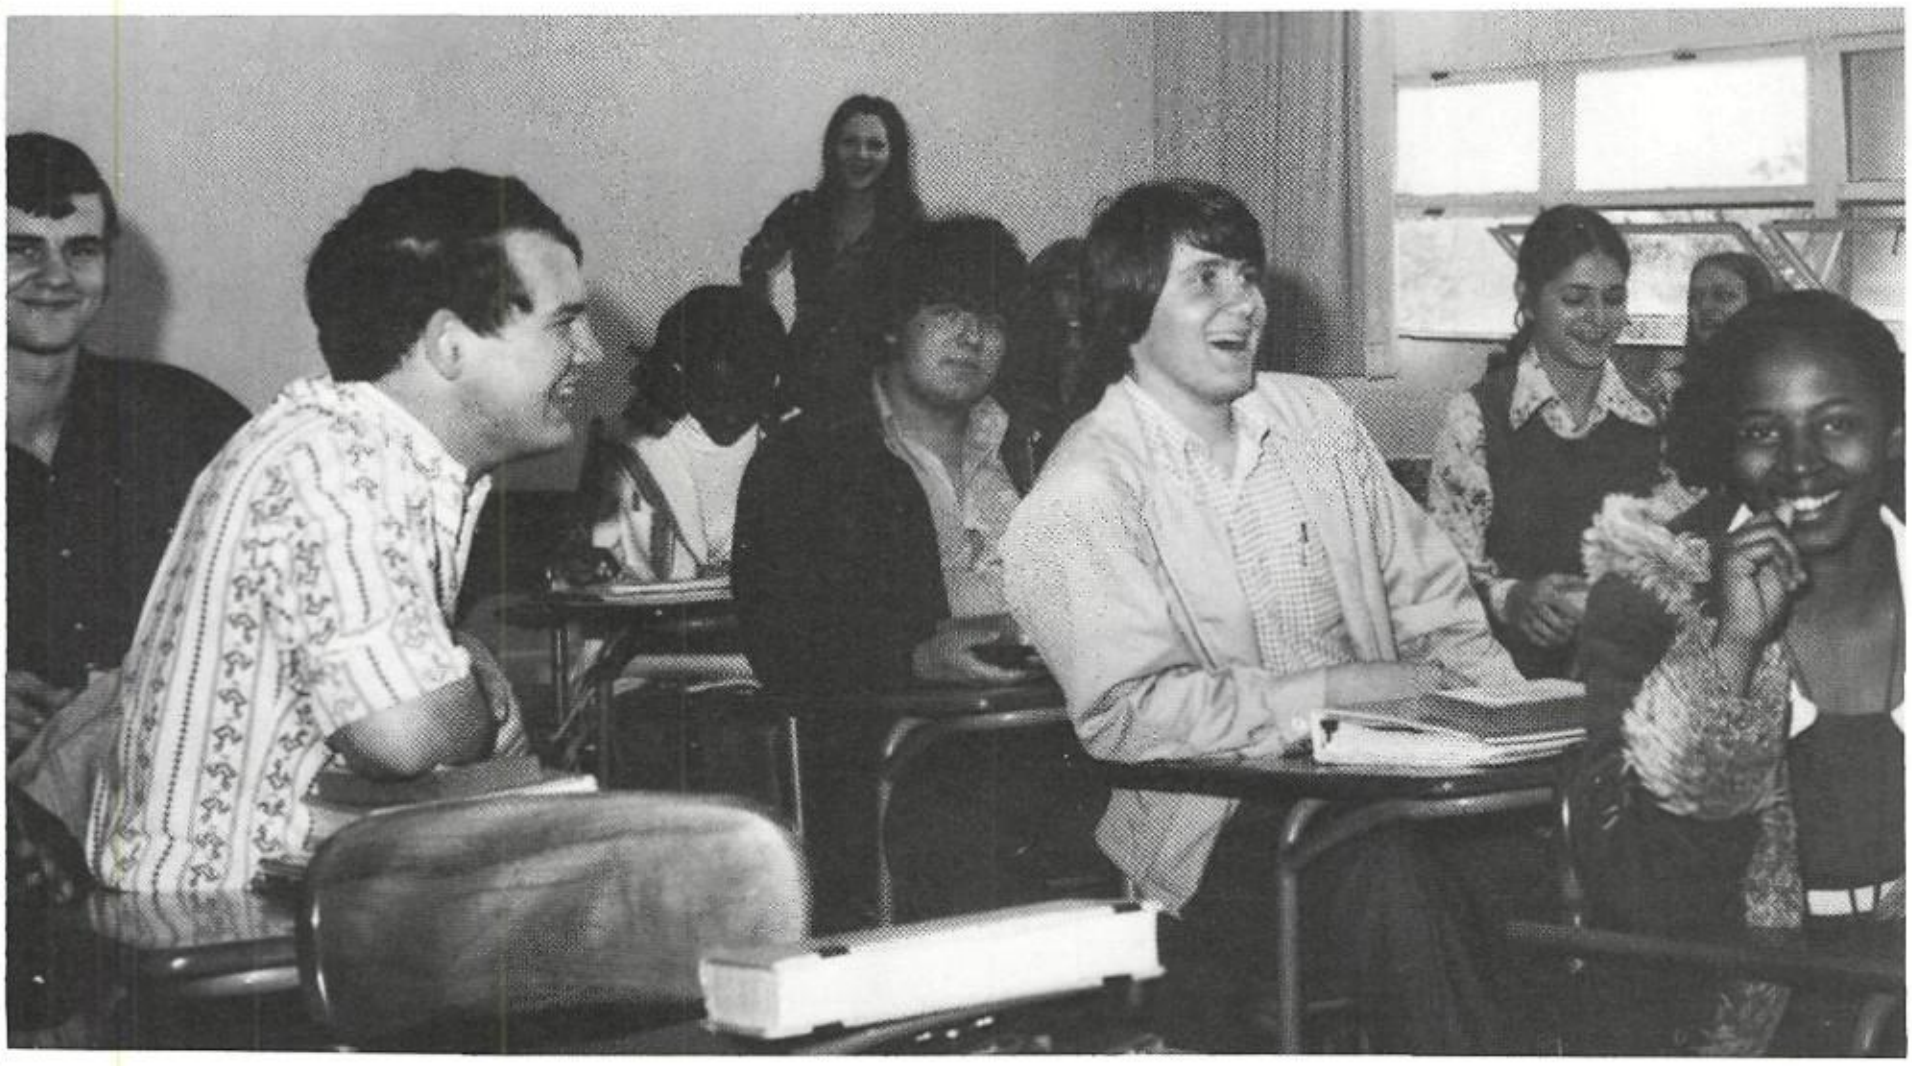
I do my thing and you do your thing.

I am not in this world to live up to your expectations



And you are not in this world to live up to mine.





You are you, and I am I.
And if by chance we find each other,
It's beautiful.
